

Our announcement of selling out and discontinuing business in Grand Rapids has been the source of much comment, and no little amount of regret has been expressed by kind friends whose good wishes we value beyond expression.

COMMENCED WEDNESDAY NOON, NOV. 8th.
ENDS JANUARY 1.

Our chief consolation while severing commercial relations with a generous Grand Rapids public is the knowledge that our Closing Out Sale is proving a great boon to the masses in this city. We know this sale is doing great good and is being appreciated.

HUDSON'S

GREAT CLOSING OUT SALE

HUDSON'S

THE LOWEST PRICES EVER NAMED.

EXPLANATORY—Six weeks from today we **MUST** leave you, and must sell a stock of over \$100,000 worth of reliable, seasonable merchandise within the ensuing 42 days. The immensity of the undertaking would appal some merchants, but **MUST** to us means business. Our experience has taught us that a quick market for desirable goods can always be found in Grand Rapids provided **PRICES** are low enough. To insure the success of this great closing out sale, the most ambitious we have ever yet undertaken, we have marked down prices to an extent that can only be appreciated by inspection of the goods. Regardless of prevailing complaints of dull times our store has been **CROWDED** ever since this sale commenced. Each day as the sale progresses the crowds have increased. Ask those who visited us what they saw and their opinions of the bargains they secured. Our patrons far and near may rest assured that when we say that this clearance sale will far surpass all that has gone before we mean that it
